Dear Retail Food Establishment or Food Store Owner/Manager:

This letter is to inform you that on July 7, 2016 the City Council passed Ordinance #2016-0616 which changed the regulatory authority for food establishments from the City of Grandview to the Texas Department of State Health Services. The effective date of the ordinance was July 22, 2016.

Although the City has changed the regulatory authority for food establishments to the State, the ordinance details City requirements a food establishment must also comply with such as, "A valid permit and a copy of the most recent establishment inspection report must be posted in or on every food establishment regulated by this ordinance in a location that is conspicuous to consumers."

Please review the entire ordinance to ensure compliance. The ordinance can be found on our website at: <http://www.cityofgrandview.org/DocumentCenter/Home/View/632>

According to the Department of State Health Services you will need to apply for a food permit with them immediately. A food permit obtained with the City of Grandview is currently invalid. Please see the instruction page for information on how to obtain your food permit with the Texas Department of State Health Services. Please feel free to contact City Hall if you have any questions at (817) 866-3710.

Sincerely,

David D. Henley
City Administrator
